EU DECLARATION OF CONFORMITY No. PPWR-2026-001

Regulation (EU) 2025/40 on packaging and packaging waste (PPWR) – Annex VIII

Eurocromo S.r.l., as manufacturer and user of the packaging in which it ships its products, pursuant to Regulation (EU) 2025/40, applicable from 12 August 2026, declares the following.

1. **Packaging identification:** IMB-EC-01 – shipping packaging for ground and chrome-plated bars and tubes, stated on the identification tag applied to each package.
2. **Manufacturer and user:** Eurocromo S.r.l., Via dell'Artigianato 1, 20010 Bernate Ticino (MI), Italy – VAT no. IT08133700156 – commerciale@eurocromo.com
3. This declaration of conformity is issued under the sole responsibility of the manufacturer.
4. **Object of the declaration:** single-use packaging, intended for industrial transport and protection and not intended to come into contact with food, consisting of:
   - low-density polyethylene (LDPE) protection, extruded by Eurocromo and applied to the chrome-plated surface, with no added additives or masterbatch;
   - cardboard tubes, 3000 mm long, in various sizes;
   - wooden crates and boards, with ISPM-15 HT phytosanitary treatment where required;
   - any closing and fastening accessories supplied with the crates (e.g. straps, film).
5. The object of the declaration is in conformity with the requirements of Regulation (EU) 2025/40 applicable at the date of issue, in particular:
   - Art. 5(4): the sum of the concentration levels of lead, cadmium, mercury and hexavalent chromium does not exceed 100 mg/kg in any component;
   - Art. 5(1): substances of concern are minimised; no substance on the REACH Candidate List (Regulation (EC) No 1907/2006) is present at a concentration equal to or above 0.1% w/w;
   - Art. 5(5) (PFAS): not applicable, packaging not intended to come into contact with food;
   - Arts. 6, 7 and 10 (recyclability, recycled content, minimisation): will be applied from the dates set by the Regulation.
6. **Standards and technical specifications:** no harmonised standards under Regulation (EU) 2025/40 have been published to date. Conformity has been assessed on the basis of information and declarations from the material suppliers (Art. 16).
7. **Notified body:** not applicable. Conformity assessment procedure: internal production control (Annex VII).
8. **Additional information:** the technical documentation is kept by Eurocromo S.r.l. for 5 years after the packaging is placed on the market and is available to the competent authorities upon request. This declaration will be updated if materials, suppliers or the packaging structure change.
